

Dear \_\_\_\_\_ ,

I am excited to be playing soccer for the Nebo United Soccer Club during the upcoming Fall and Spring seasons!

Our club is involved in a fun program we are calling "Sponsor a Soccer Player". I am looking for donations of any size from my family and friends to help cover the fees involved in playing on such a competitive level.

There are a couple of options for you if you are willing and / or able to help me with my goal of raising \$ \_\_\_\_\_. The simplest way is for you to just follow this link <http://www.nebounited.com/p/sponsor-player.html> which will take you to the Club's Pay Pal account. Simply enter my name and then the amount you would like to donate. The money will go directly towards my player fees. You can also mail a check, or for those of you who are in the area I am happy to stop by and pick up your donation.

No amount is too small, the donations are likely to add up quickly so I appreciate anything you are able to do.

Thanks so much for your support,
